Vaccination updates for the week of February 1:

- Currently those in Phase 1A (frontline health care workers, EMS, fire and police personnel) and residents ages 65+ are eligible for vaccinations. **Vaccine supply remains limited in Wisconsin.** As of February 1, 13,740 COVID-19 vaccinations have been administered to Racine County residents.
- **Central Racine County Health Department:** This week CRCHD is receiving 17 percent of its requested vaccine. *This means there will be limited vaccine appointments this week.*
 - For “Vaccine Updates Email Sign Up” to receive emails with the latest vaccine information, including a link to appointments when they become available, go to <https://crchd.com/covid-19-vaccine>.
 - CRCHD does not yet have the ability to make appointments by phone but is working on this. Do not call CRCHD for appointments at this time.
- **City of Racine Public Health Department:**
 - Due to a limited supply of vaccine, the City of Racine Public Health Department is not taking new appointments at this time.
 - All individuals looking for vaccine updates, including notification when new clinics are scheduled, should visit <https://www.racinecoronavirus.org/racine-covid-19-vaccine/>.
- **Health care providers** are helping vaccinate those in Phase 1A. *For residents ages 65+ who have a local doctor, your local healthcare provider will be reaching out to you.* Most health care providers are asking their patients to please not call hospitals or their doctor’s office to try and schedule a vaccine appointment. You can visit your provider’s website for more instructions.
